

West Des Moines lacrosse is very proud of our championship teams and we are committed to growing our sport and local athletes in the greater Des Moines area. Our club is an all-volunteer, non-profit 501c3 organization working to provide players with the best coaching, facilities, and competition available. We would love to have your business support in helping us fund extra equipment to further this sport among our club as well as other clubs and help our club members needing assistance.
